Planned Unit Development Approval to allow shared parking between two building sites.

Dear Applicant(s)/ Property Owner(s):

At its meeting on March 5, 2020, the Planning Commission considered the above referenced Planned Unit Development to extend a previously approved Planned Unit Development to allow shared parking between two building sites.

After discussion, the application for a one-year extension of the Planned Unit Development was approved.

Please note that a Planned Unit Development approval by the Planning Commission expires after one year if no permits are obtained and also note that any future extensions will be unlikely.

If you have any questions regarding this action, please call this office at 251-208-5895.

Sincerely,

MOBILE CITY PLANNING COMMISSION
