Barbara Slaughter Subdivision**

6250 Anthony Drive West (West side of Anthony Drive West, 260'± South of Mango Street).
4 Lots / 11.9± Acres

Dear Applicant(s) / Property Owner(s):

At its meeting on January 8, 2004, the Planning Commission approved the above referenced subdivision subject to the following conditions:

- 1) **the placement of a note on the final plat stating that Lots 1 and 2 are limited to one curb to Anthony Drive West, with the size, location, and design to be approved by County Engineering;**
- 2) **the placement of a note on the final plat stating that if the property is developed commercially and adjoins residential property, a buffer, in compliance with Section V.A.7. of the Subdivision Regulations will be provided; and**
- 3) **the placement of the 25-foot minimum building setback line on the final plat.**

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, **seven** copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one year, or the Tentative Approval will expire.

It is also requested that a digital copy of the final plat be submitted to the Land Use Administration office once the plat has been submitted to Probate for recording. This may be submitted on disk or via e-mail at henley@cityofmobile.org.
