**Re: Case #SUB2002-00226**

**MAMGA Subdivision**

750 Congress Street (Northwest corner of Congress Street and Washington Avenue).

1 Lot / 0.6± Acre

Dear Applicant(s) / Property Owner(s):

At its meeting on October 3, 2002, the Planning Commission waived Section V.D.9 (front yard setback) of the Subdivision Regulations and approved the above referenced subdivision subject to the following conditions:

- (1) elimination of the continuous curb-cut for head-in parking along Washington Avenue, including removal of paving and installation of landscaping; and
- (2) driveway number, sizes, location and design to be approved by Traffic Engineering and conform to AASHTO standards.

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, **seven** copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one year, or the Tentative Approval will expire.

It is also requested that a digital copy of the final plat be submitted to the Land Use Administration office once the plat has been submitted to Probate for recording. This may be submitted on disk or via e-mail at [henley@cityofmobile.org](mailto:henley@cityofmobile.org).
